Welcome to the

OAO 2020 VIRTUAL TECH MEETING

Sponsored by the Oregon Academy of Ophthalmology
Content Available: July-December 2020

President's Welcome Letter

Welcome to the **2020 OAO Virtual Tech Meeting** sponsored by the Oregon Academy of Ophthalmology! We hope this year's virtual program will give you useful information and insights into the ophthalmic field. We want to thank Casey Eye Institute and the Portland Community College Ophthalmic Medical Technology Program for their assistance. The Academy is especially grateful to the speakers who made this program possible by generously volunteering their talents and time to share their expertise with you - their willingness to reschedule and ultimately record their presentations is much appreciated!

We invite you to visit our **2020 Sponsors** on the OAO website. Their contribution made this virtual conference possible.

Remember to complete the online course evaluation and course quizzes in order to receive the continuing education credits you have earned. Keep in mind that you should retain the Credit Reporting Form you received should you ever be audited post-recertifying.

Sincerely,
Jennifer Lyons, MD

OAO President

ACCREDITATION:
The Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO) has awarded continuing education credit (CEC) as follows:

Group A: 7.5 Continuing Education Credits (CECs)
(The maximum one person can be awarded is 7.5 CECs)

This course is not sponsored by JCAHPO, only reviewed for compliance with JCAHPO standards and criteria, and has awarded continuing education credit accordingly; therefore, JCAHPO cannot predict the effectiveness for the program or assure it quality in substance and presentation.

FINANCIAL DISCLOSURES:
JCAHPO has determined that financial interest should be disclosed in courses sponsored or co-sponsored by JCAHPO or approved for continuing education credit by JCAHPO. The following speaker has declared a financial interest currently or within the past 12 months in a Designated Company, or a financial relationship with or advisory capacity with a Designated Company related to their presentation.

Denice Barsness | Genentech | Paid Speaker

All other faculty disclosed no financial interest or relationship with a Designated Company related to their presentation.

VIRTUAL COURSE LIST

Topic & Presenter	Level & Prerequisites
