Welcome to the

OAo 2021 VIRTUAL TECH MEETING

Sponsored by the Oregon Academy of Ophthalmology

Content Available: April 5 - October 3, 2021

President's Welcome Letter

Welcome to the **OAo 2021 Virtual Tech Meeting** sponsored by the Oregon Academy of Ophthalmology! We hope this year's virtual program will give you useful information and insights into the ophthalmic field. We want to thank Casey Eye Institute and the Portland Community College Ophthalmic Medical Technology Program for their assistance. The Academy is especially grateful to the speakers who made this program possible by generously volunteering their talents and time to share their expertise with you - their willingness to record their presentations is much appreciated!

We invite you to visit our **2021 Sponsors** on the OAo website. Their contribution made this virtual conference possible.

Remember to complete the online course evaluation and course quizzes in order to receive the continuing education credits you have earned. Keep in mind that you should retain the Credit Reporting Form you received should you ever be audited post-recertifying.

Sincerely,

Julie Falardeau, MD
OAo President

ACCREDITATION:

The International Joint Commission on Allied Health Personnel in Ophthalmology (IJCAHPO) has awarded continuing education credit (CEC) as follows:

Group A: 7.5 Continuing Education Credits (CECs)
(The maximum one person can be awarded is 7.5 CECs)

This program is not sponsored by IJCAHPO; it is only reviewed for compliance with IJCAHPO standards and criteria and awarded continuing education credit accordingly; therefore, IJCAHPO cannot predict the effectiveness of the program or assure its quality in substance and presentation.

FINANCIAL DISCLOSURES:

IJCAHPO has determined that financial interest should be disclosed in courses sponsored or co-sponsored by IJCAHPO or approved for continuing education credit by IJCAHPO. The following speakers have declared a financial interest currently or within the past 12 months in a Designated Company, or a financial relationship with or advisory capacity with a Designated Company related to their presentation.

Diana V. Do, MD: Aerie (C, R), Allergan (C), Asclepix (C), Genentech (C), Boehringer Ingelheim (C, R), Kodiak (C, S) Novartis (C, R), Regeneron (C, R), Santen (C, R), Mallinckrodt (C), Gilead (R), Eyepoint (C)

Quan Dong Nguyen, MD: Aerie (C, R), Allergan (C), Asclepix (C), Genentech (C), Boehringer Ingelheim (C, R), Kodiak (C, S) Novartis (C, R), Regeneron (C, R), Santen (C, R), Mallinckrodt (C), Gilead (R), Eyepoint (C)

C: Consultant; R: Research Grant; S: Shareholder

VIRTUAL COURSE LIST

Topic & Presenter	Level & Prerequisites
#1 The Pediatric Patient Andrea Docherty, COMT, Orthoptist PeaceHealth	30 Minutes .5 CEC Intermediate: Basic knowledge of diagnostic procedures.
#2 Ocular Motility: Assessing the Eyes' Drivers Katie Kogachi, MD Casey Eye Institute Resident	30 Minutes .5 CEC Intermediate: Basic knowledge of ocular anatomy.
