2022 OPHTHALMIC MEDICAL TECHNOLOGY MEETING

**MARCH 11, 2022
8:00 AM - 5:00 PM
World Forestry Center**

Oregon Academy of Ophthalmology Ophthalmic Medical Technology Meeting

March 11, 2022

President's Welcome Letter

Welcome to the **OAO 2022 Ophthalmic Medical Technology Meeting** sponsored by the Oregon Academy of Ophthalmology! We hope this year's hybrid program will give you useful information and insights into the ophthalmic field. We want to thank Casey Eye Institute and the Portland Community College Ophthalmic Medical Technology Program for their assistance. The Academy is especially grateful to the speakers who made this program possible by generously volunteering their talents and time to share their expertise with you.

We invite you to visit our **2022 Exhibitors** in person or on the OAO website. Their contribution makes this conference possible.

Remember to complete the course evaluation and course quizzes (if attending via live stream) in order to receive the continuing education credits you have earned. Keep in mind that you should retain the Credit Reporting Form you received should you ever be audited post-recertifying.

Sincerely,

Julie Falardeau, MD
OAO President

ACCREDITATION:

This program has been accredited by the International Joint Commission on Allied Health Personnel in Ophthalmology (IJCAHPO) for **7.5 CE Credits**. Course Evaluation and Course Quizzes must be completed to receive CE Certificate.

This program is not sponsored by IJCAHPO; it is only reviewed for compliance by IJCAHPO standards and criteria and awarded continuing education credit accordingly; therefore IJCAHPO cannot predict the effectiveness of the program or assure its quality in substance and presentation.

CE credit for a course will be denied to individuals who miss more than 15 minutes of any course.

FINANCIAL DISCLOSURES:

IJCAHPO has determined that financial interest should be disclosed in courses sponsored or co-sponsored by IJCAHPO or approved for continuing education credit by IJCAHPO. The following speaker has declared a financial interest currently or within the past 12 months in a Designated Company, or a financial relationship with or advisory capacity with a Designated Company related to their presentation.

Denice Barsness - Speaker for Genentech
