

2024 Virtual Codequest

March 25, 2024

Watch the live webinar or purchase the recording to watch at your convenience.

WHO SHOULD ATTEND?

Ophthalmologists who are responsible for their practice's revenue, plus technicians, scribes, billers and coders, compliance officers, and practice managers/administrators.

TOPICS INCLUDE:

- 2024 Coding Updates, financial impact and crucial payer policy changes.
- Myth-busters 2.0: Debunk this year's top coding myths and confirm with trusted guidance.
- Compliance Matters: Recognize hot topics related to audits, compliance and investigations of ophthalmic practices.
- Name That Modifier: Review challenging case studies to develop proficiency and confidence in applying modifiers.
- Code this OP Report: Recognize the 10 steps for surgical coding and apply them to real-life OP reports to level-up your skills.
- Coding Competency Challenge
- E/M: Decipher the definitions hidden within the medical decision-making table.

LIVE WEBINAR/RECORDING

March 25, 2024 | \$299
11:00am-3:00pm PST

REGISTRATION NOW OPEN

<https://www.oregoneyephysicians.org/codequest/>

Join the most knowledgeable coding experts in ophthalmology for four hours of professional coding education vital to your success. We'll map out the latest coding updates, review key competencies, test your knowledge and steer you towards successful solutions for preventing claim denials.

Developed by the American Academy of Ophthalmology, Codequest™ provides unparalleled instruction for practices of every size and every specialty.
